

- Power Tools:-

Heat Gun

1600 HLG E

1600 HLG E

Adjustable heating power of between 160 and 1,600 watts

Electronic temperature control from 80 – 600°C

Ceramic heating element for continuous operation

Technical Data

Nominal rated input	1.600 Watt
Temperature range	80 - 600 °C
Air flow	400 l/sec
Tool weight	0,7 kg

Product features

Stand for stationary use

4 m rubber mains cable
