

- Hydraulic Presses:-

MEGA 

Characteristics

Compact and functional design that integrates all the hydraulic elements within the chassis, provides a saving in the workshop space and ensures protection in transport.

Supplied fully assembled and ready for work.

We manufacture two models: The KMG / KSG Monoblock version and the KCK and KSC presses with cylinder and independent pump.

Different pump options: single or two speed manual, manual-pneumatic and electric pumps, depending on the working speed required (on KCK and KSC models).
